BARBERSHOP HARMONY SOCIETY

Contest Rules

Updated 4/26/2015

FOREWORD

These rules apply to all quartet and chorus contests at the division, district and international levels in the Society. In these rules, the definition of the district chorus contest is the contest at which the district chorus champion is selected. In matters not specifically covered by these rules, the districts may exercise reasonable latitude and prerogative provided that the established ethics and policies of the Society are closely observed.

Any requests for exception to any of the following rules on eligibility must be made to the Society Contest and Judging Committee through its chairman.

ARTICLE I: ELIGIBILITY

A. Quartets

1. Membership and Quartet Registration Requirements

a. Society and Chapter: Except for those quartets from affiliated organizations which have been invited to participate in the international quartet contest or in the international seniors quartet contest, all members of competing quartets must be members of one or more Society chapters, including Frank H. Thorne Chapter. A member of the Society is defined as one whose Society, district, and chapter dues are paid, whether or not such dues have been forwarded to the district or Society by the chapter, and who is not under suspension by his chapter or the Society Board of Directors.

b. District: At least one member of the quartet must be a member of a chapter in the district in which the quartet elects to compete.

c. Affiliates: All members of a competing quartet from an affiliated organization must be members in good standing of the affiliated organization.

d. Quartet Registration: To be eligible for competition, a quartet must be registered with the Society Contest and Judging office or, in the case of quartets from affiliated organizations, with their affiliated organization, and such registration must include the same personnel that enter the contest.

2. Seniors Quartet

Each member of a quartet competing in the international seniors quartet contest must be age 55 or older and the sum of the accumulated ages of the quartet must equal or exceed 240 years. These requirements must be met on the basis of birthdays reached on or before the day of the international seniors contest held at the midwinter convention.

3. Selection of Home District

In the event that members of a quartet collectively hold memberships in chapters in more than one district, the quartet must notify the Society Contest and Judging office prior to September 1 each year of the district it chooses to represent and in which it will compete.

BHS Contest Rules

Such selection will be binding for a full year, and the quartet may not compete in any contest in any other district during that year except as provided below.

4. Out of District Competition

a. Request: Under normal circumstances, quartets are expected to compete in their home districts. In exceptional circumstances, however, a quartet may request to compete in a district other than their home district.

b. Action: Such requests by quartets to compete in a district other than their home district must be unanimously approved by the requested district's district representative for contest and judging and district president, and the home district's district representative for contest and judging and district president. However, if a new quartet initially registers with the Society Contest and Judging office (Art.I.A.1.d) after its home international preliminary contest deadline, it only needs approval of the requested district's district representative for contest and judging and district president. In this case, the home district's district representative for contest and judging will receive an information copy of the request.

c. Deadline:

(1) For international preliminary quartet contests and international preliminary seniors quartet contests, this request must be submitted at least 30 days prior to the official entry deadline for the earlier international preliminary contest of the affected districts, regardless of the international preliminary contest in which the quartet is planning to compete, or, in the case of a new quartet registered after its home district preliminary contest deadline, at least 30 days prior to the requested district's preliminary contest official entry deadline.

(2) For division and district contests, this request must be submitted at least 30 days prior to the official entry deadline of the out of district contest for which entry is desired.

5. Competing in Multiple Quartets

In international and international preliminary contests a member may compete with only one quartet, regardless of the number of quartets or districts to which he belongs. Any requests for exceptions to this rule must be made to the Society Contest and Judging Committee through its chairman. However, a member may compete in multiple quartets in any division or district contest in one or more districts.

6. Championship Quartets

a. Not Eligible to Compete: Except in division contests, championship quartets of other years will not be eligible to compete again for that championship.

b. Forming New Quartet: This rule will not be construed to prohibit the organization and entry of a new quartet of not more than two members of the same championship quartet, provided entry is made under a different name.

7. Convention Registration

Each competing quartet member shall hold a registration for the convention at which the contest is held.

BHS Contest Rules

B. Choruses

1. Membership Requirements

a. Society: Except for those choruses from affiliated organizations that have been invited to participate in the international chorus contest, all members of competing choruses, except female directors, must be members of the Society and of each chapter they choose to represent in competition. A female director must be a Society Associate (as defined in Society rules and regulations). Chapters represented in Society chorus contests must be in good standing with the Society and their districts.

b. Affiliates: All members of competing choruses from affiliated organizations, except the director, must be members in good standing of that affiliated organization and of the chapter or club that they represent in competition.

2. One Chorus per Chapter

Chapters may not enter more than one chorus in any Society-sponsored contest.

3. Minimum Size

A competing chorus must be composed of 12 or more members on stage, with or without the director.

4. Competing in Multiple Choruses

A member may participate, either as director or singer, with more than one chorus in any contest.

5. Chorus Director

Nothing in Article I will be construed as to limit the rights of a chapter to appoint or replace its chorus director at any time.

6. Out of District Competition

a. Request: Under normal circumstances, choruses are expected to compete in their home districts. In exceptional circumstances, however, a chorus may request to compete in a district other than its home district.

b. Action: Such requests by choruses to compete in a district other than their home district shall be submitted to the home district's district representative for contest and judging and must include explicit reasons for the request. Any request must be unanimously approved by the requested district's district representative for contest and judging and its district president, and the home district's district representative for contest and judging and its district president. If approved or denied by all parties, a report will be made to the Society Contest and Judging Committee, through its chairman, by the home district's district representative for contest and judging.

c. Review: If opinion is not unanimous among the parties, the request shall be forwarded by the home district's district representative for contest and judging to the Society Contest and Judging Committee, through its chairman, for review and recommendation and the Society executive director who shall provide final resolution to ensure consistent and equitable application of this provision throughout the Society.

BHS Contest Rules

d. Deadline:

(1) For international preliminary chorus contests, this request must be submitted at least 30 days prior to the official entry deadline for the earlier international preliminary contest of the affected districts, regardless of the international preliminary contest in which the chorus is planning to compete, unless the chapter the chorus represents is chartered after the entry deadline for their home district international preliminary contest.

(2) For division and district contests, this request must be submitted at least 30 days prior to the official entry deadline of the out of district contest for which entry is desired.

7. Layout After Championship

International champion choruses are not eligible to compete for the international championships to be awarded for the two years following the year in which the chorus won the international championship.

8. Convention Registration

Each and every member of a competing chorus, including the director, shall hold a registration for the convention at which the contest is held.

C. Violations of Article I

1. Reporting Violation

Suspected violations of Article I shall be reported to the district representative for contest and judging (contests other than international contests) or to the Society Contest and Judging Committee, through its chairman, (international contests) within 10 days after discovery of the suspected violation and, in any event, no later than 30 days after the contest conclusion. All such reports must be signed and should include all available documentation in order to assist with the investigation and decision.

2. Format

All notices and rulings with respect to Article I violations must be in writing (which may include electronic transmissions) and shall be deemed to have been given

- (1) upon personal delivery, or
- (2) two business days after being mailed, or
- (3) if given by electronic transmission, when received and acknowledged.

The party receiving an electronic notice or ruling shall immediately acknowledge receipt.

3. Effect of Violation

Quartets and choruses found in violation of Article I.A or Article I.B, respectively, are ineligible and will not be included in the final official scoring summary for that contest. A revised scoring summary will be published if necessary.

BHS Contest Rules

ARTICLE II: CONTEST ENTRY PROCEDURES

A. Division Contests

Contest entry procedures for division contests are specified by district policy.

B. District Contests and International Preliminary Contests

1. Contest Entry

A contest entry form will be sent or otherwise made available to each eligible contestant within the district by the district official(s) as specified by the district at least 30 days prior to the contest entry deadline or distributed to each eligible contestant at the qualifying contest. Publication of the entry form in the district bulletin or other district publication(s) circulated to all members of the district shall satisfy the requirement of this section.

2. Deadline

Completed entries for the contest must be received by the district representative for contest and judging by a date specified by district policy; provided however, that for good cause shown, the district representative for contest and judging, with the concurrence of the Society Contest and Judging Committee, through its chairman, may accept late entries which are received by him not later than 7 days prior to the contest date.

C. International Quartet Contests

1. Contestant Qualification

a. District Representative: The highest scoring quartet from each district competing in a preliminary quartet contest (regardless of the district in which such quartet competes to qualify) shall qualify to represent that district in the international quartet contest. A quartet competing out of its home district must have obtained permission to do so prior to its home district preliminary contest and must attain at least the target score (Article V.D.3) in order to qualify as the district representative.

b. Attainment of Target Score: In addition, all Society and affiliate quartets that meet or exceed the target score (Article V.D.3) shall qualify for the international contest.

c. Scoring Pool: In the event that fewer than 45 Society quartets are qualified by the above methods, the remaining quartets to fill out the minimum field of 45 Society quartets will be selected by rank from a pool of all those quartets competing in that year's international preliminary quartet contests. In the event that more than one quartet is ranked 45th by score, each quartet achieving that ranking shall qualify for the international contest.

d. Minimum Score: In all circumstances to be eligible to compete in the international quartet contest, all quartets, including affiliates, must have earned a minimum score, which is adopted by the Society Board of Directors after considering the score recommended by the Society Contest and Judging Committee. The minimum score adopted by the Society Board of Directors shall remain in effect until changed by

BHS Contest Rules

subsequent action by the Society Board of Directors. [NOTE: Current minimum score is average of 65.]

e. Affiliate Quartet Qualifying Scores: To assure consistency of the scores for affiliate quartets, for use as target and minimum scores, their qualifying contests should be judged by a panel containing at least a single-panel component of certified Society judges.

2. Qualifying Quartet Replacement

a. Replacement of District Representative: If prior to the international contest a district representative quartet becomes either ineligible or otherwise unavailable to compete, and if as a result, that district would not be represented in the international contest, then the next highest ranking quartet that is available from the same district will replace the quartet that has become ineligible or unavailable, provided that said next highest ranking quartet has earned the minimum score as defined in Article II.C.1.d.

b. Replacement of Scoring Pool Quartet: If, prior to the international contest, a quartet that qualified solely by attainment of the target score as defined above becomes ineligible or unavailable, that quartet will not be replaced, except where the loss of that quartet brings the total of Society quartets qualifying for the contest below 45.

3. Contest Entry and Deadline

Completed entry forms for the contest must be received by the Society Contest and Judging office no later than 15 June prior to the contest; provided however, that for good cause shown and with the concurrence of the Society Contest and Judging Committee, through its chairman, the Society Contest and Judging office may accept late entries.

D. International Seniors Quartet Contests

1. Contest Qualification

a. District Representative: The highest scoring declared seniors quartet from each district competing in their home district's preliminary seniors quartet contest shall be declared the district's representative.

(1) Report of Seniors Quartet District Representative: Immediately following an international preliminary seniors quartet contest, the district representative for contest and judging or affiliate counterpart will provide the Society Contest and Judging office with the name of their representative quartet and its members.

b. Scoring Pool: The remaining quartets to fill out the field of 25 Society quartets will be selected by rank from a pool of all those quartets competing in that year's international preliminary seniors quartet contests. In the event that more than one quartet is ranked 25th by score, each quartet achieving that ranking shall qualify for the international seniors contest.

c. Affiliate Seniors Quartets: In addition to the Society quartets, seniors quartets from affiliated organizations may be invited by the Society executive director on behalf of the Society Board of Directors.

d. Other Seniors Quartet Contests: Districts are free to stage other seniors quartet contests for local awards.

BHS Contest Rules

2. Notification and Indication of Intent

All district and affiliate representatives and selected at-large quartets will be notified before November 1 preceding the contest date. Each quartet must advise the Society of its intention to compete by November 15. Failure of any quartet to do so, by the date specified, shall constitute withdrawal of the quartet's entry.

3. Replacement

a. District Representative: If a district representative withdraws or otherwise becomes unavailable, and, as a result, that district would not be represented in the international seniors quartet contest, then the next highest ranking quartet that is available from the same district will replace the quartet that has withdrawn or become unavailable.

b. Scoring Pool: In the event any at-large quartets withdraw or otherwise become unavailable prior to the first working day of January, replacements shall be added from the scoring pool in order to not fall below a field of 25 quartets.

c. Cut-Off Date: No replacements will be made after the first working day in January, whether or not a district would be left unrepresented and regardless of the number of remaining entries.

4. Contest Entry and Deadline

Completed entry forms for the contest must be received by the Society Contest and Judging office no later than 10 January prior to the contest; provided however, that for good cause shown and with the concurrence of the Society Contest and Judging Committee, through its chairman, the Society Contest and Judging office may accept late entries.

E. Personnel Change in Qualifying Quartets

1. International Quartet and Seniors Quartet Contests

After qualifying for an international contest at an international preliminary quartet contest or an international preliminary seniors quartet contest, a quartet may replace up to one member and still be eligible to compete at the international contest. If two or more personnel changes should occur in a qualifying quartet between the international preliminary contest and the corresponding international contest, that quartet becomes ineligible to compete.

2. District and Division Contests

Policy on replacement of any quartet personnel between qualification at a division contest and a district contest is specified by each district.

F. International Chorus Contests

1. Contest Qualification

a. District Representative: The highest scoring chorus from each district competing in its home district's international preliminary chorus contest shall qualify to represent that district in the international chorus contest.

b. Scoring Pool and Minimum Score: In addition, and whether competing in their home district or another district (pursuant to Article I.B.6), the next available highest scoring

BHS Contest Rules

choruses in the Society will also qualify for the international chorus contest up to a number to be determined and publicized each year by the executive director prior to the earliest international preliminary chorus contest each year; provided, however, that such choruses have earned a minimum score adopted by the Society Board of Directors after considering the score recommended by the Society Contest and Judging Committee. The minimum score adopted by the Society Board of Directors shall remain in effect until changed by subsequent action by the Society Board of Directors. [NOTE: Current minimum score is average of 76.]

c. Scoring Pool Ties: If there is a tie between two or more choruses for the last scoring pool qualifier, the Society executive director will review the schedule to determine if all the tied choruses can be accommodated in the draw. If not, then the tie situation will be resolved using the standard tie break formula; i.e., a tie for first place will be broken by ranking the contestants according to their overall scores in the Singing category or, only if that does not break the tie, according to their overall scores in the Music category. If a tie still exists, the tie will be broken by random draw and the chorus name drawn will be awarded the last qualification.

2. Replacement

a. District Representative: If a qualifying chorus that was highest scoring in its home district international preliminary contest cannot compete or chooses not to compete in the international chorus contest, then the next highest ranking chorus that is available from the same district and that competed in its home district's international preliminary chorus contest will be invited to replace the qualifying chorus.

b. Scoring Pool: If a qualifying chorus that was not highest scoring in its home district's international preliminary chorus contest withdraws from the international chorus contest or otherwise becomes unavailable, the next highest scoring eligible chorus in the Society not yet qualified will be invited to replace the withdrawn chorus, provided that said next highest scoring chorus has earned the minimum score as defined in Article II.E.1.b.. If there is a tie for the next highest scoring eligible chorus position, it will be resolved per the process of Article II.E.1.c above.

c. Replacement OOA: If the order of appearance has been determined, the replacement chorus will fill the position of the withdrawn chorus in the contest order of appearance.

d. Acceptance and Replacement Cut-off Date: Invited choruses will have seven days to respond to the invitation. The process for replacing withdrawals will end by April 1.

3. Contest Entry and Deadline

Completed entry forms for the contest must be received by the Society Contest and Judging office no later than 15 June prior to the contest; provided however, that for good cause shown and with the concurrence of the Society Contest and Judging Committee, through its chairman, the Society Contest and Judging office may accept late entries.

4. Roster and Certification Submission

a. Roster Submission: Each chorus competing in the international chorus contest must submit a roster to the Society Contest and Judging office by June 15th indicating all members who will be participating on stage with that chorus. The roster must include the

BHS Contest Rules

full name of each member who will be competing, his Society member number, and an indication that he has a convention registration.

b. Certification Statement: The roster must also include the following statement and be signed by the chapter president, chapter secretary and chapter music and performance vice president:

“We hereby certify that this roster is accurate and that all names submitted are Society, district, and chapter members in good standing, that each member has, or will have, a convention registration, and that we have complied with all eligibility requirements outlined in Article I.B.”

c. Validation: The Society membership department will validate each roster list submitted and notify the chapter that (1) the validated list has been forwarded to the contest administrator for the international chorus contest, or (2) return the list to the chapter with notations reflecting members not in compliance with the rule. If the latter, the chorus has five calendar days to get all members submitted in compliance or remove their noncompliant names from the list.

d. Eligibility Confirmation: The roster list and other documentation may be used by the contest administrators, convention officials, or Society staff to confirm eligibility at the contest site.

e. Effect of Noncompliance: Failure to comply with this requirement will result in declaring the chorus ineligible as specified in Article I.

G. Copyright Clearance

1. Observance of Copyright Laws

All contestants are required to observe the copyright laws in the acquisition, arranging, learning, and performance of songs and arrangements.

2. Contest Entry Form

Consistent with this Society policy, contestants are required to submit a contest entry form [CJ-20] along with documentation of cleared music as specified in the *Contest and Judging Handbook* section PROVIDING PROOF OF COPYRIGHT CLEARANCE FOR COMPETITION.

3. Multiple Song Entry

If a contestant is not sure which songs they may perform in contest, it can, and should, list all the possibilities on the entry form.

4. Use of Song Not Listed On Entry Form

If it wishes to perform a song not previously listed on the entry, a contestant is required to provide documentation of cleared music as specified on the contest entry form [CJ-20] to the contest administrator prior to the start of the competition. In no case shall song title clearances be accepted after the start of the contest.

5. Effect of Noncompliance

Noncompliance with this rule by performing a song in contest for which copyright clearance has not been obtained or by failing to provide the required documentation of cleared music at

BHS Contest Rules

any time upon request are subject to post-contest action deemed appropriate by the Society executive director, including being declared ineligible and disqualified.

ARTICLE III: SCORING CATEGORIES

Each scoring judge awards a score from 1 to 100 for each song. All contestants will be judged in the three scoring categories:

A. Music

The Music judge evaluates the song and arrangement, as performed. He adjudicates the musical elements in the performance: melody, harmony, range and tessitura, tempo and rhythm and meter, construction and form, and embellishments. He judges how well the musical elements of the performance establish a theme and the degree to which the performance demonstrates an artistic sensitivity to that theme. He adjudicates the degree to which the musical elements of the song and arrangement display the hallmarks of the barbershop style.

B. Presentation

The Presentation judge evaluates how effectively a performer brings the song to life; that is, the believability of the theme in its musical and visual setting. He responds to both the vocal and visual aspects of the presentation, but he principally evaluates the interaction of those aspects as they work together to create the image of the song. He adjudicates the quality and appropriateness of the overall effect. The Presentation judge evaluates everything about the performance that contributes to emotional impact upon the audience.

C. Singing

The Singing judge evaluates the degree to which the performer achieves artistic singing in the barbershop style. Artistic singing is accomplished through precise intonation, a high degree of vocal skill and appropriate vocal expression, and a high level of unity and consistency within the ensemble. Mastering these elements creates a fullness and expansion of sound, and when combined with expressive vocal skills will convey a feeling of genuine emotion to support the message of the song.

ARTICLE IV: CONTEST JUDGES

A. Certification

Judges (scoring judges and contest administrators) are certified by the Society Contest and Judging Committee, through its chairman, in their respective categories in accordance with their qualifications to judge one of the three scoring categories or to serve as a contest administrator. It is the duty of the Society Contest and Judging Committee, through its chairman, to provide an official register of certified and candidate scoring judges and contest administrators who are Society members.

BHS Contest Rules

B. Appointment of International Panels

1. Appointment

The contest administrators and scoring judges for international contests are appointed from the *Official Register of Certified Judges and Contest Administrators* by the Society Contest and Judging Committee through its chairman.

BHS Contest Rules

constraints, financial considerations or other mitigating circumstances prevail. All such appointments are subject to approval by the Society Contest and Judging Committee through its chairman.

An expense allowance for each judge and contest administrator will be determined by using the “Standard Procedures for Determining Expense Allowance for Member of Judging Panels” contained in the *Contest and Judging Handbook*.

ARTICLE V: TYPES OF CONTESTS

A. All Contests

1. Sessions

If there are more than 25 contestants, they shall be divided into two or more contest sessions, scheduled as separate events. In unusual circumstances, an exception to this rule in the international quartet and chorus contests may be made by the Society Contest and Judging Committee, through its chairman, and an exception in division or district contests may be made by the district representative for contest and judging.

2. Song Repetition

a. Substantial Part Repeated: Within all rounds of a specific contest, a contestant may not repeat a song or a substantial part of any song. In the context of these rules, the term song may refer to a single song or a medley in which major portions of two or more songs are used. A parody of a song previously sung would be considered repeating a song.

b. Recommendation by Music Judge(s): A Music judge shall recommend forfeiture to the contest administrator if a contestant repeats a song or a substantial portion from one of its songs in another song. If there are two or more Music judges, the decision to forfeit must be unanimous.

c. Recommendation Unanimous: When the decision to forfeit is unanimous, the contest administrator shall record as zero the contestant’s entire score in all categories for the repeated rendition of the song(s).

d. Recommendation Not Unanimous: When the decision to forfeit is not unanimous, the score(s) for the recommending judge(s) shall be recorded as zero.

3. Convention Registrations

All contestants shall hold registrations for the convention at which the contest is held.

3. Number of Finalist Quartets

Districts may exercise latitude in the number of finalist quartets, but the contest administrator may increase the number of quartets competing in the finals if he judges that more quartets have a reasonable chance of achieving the target score, which is the score allowing eligibility for the international contest adopted by the Society Board of Directors at its annual midwinter meeting during the year of the international contest in question, after considering the target score recommended by the Society Contest and Judging Committee. The target score adopted by the Society Board of Directors shall remain in effect until changed by subsequent action by the Society Board of Directors. [NOTE: Current target score is average of 76.]

6. Ranking and Awards

After the finals round, ranking of quartets will be computed from the combined scores obtained in the quarterfinals, semifinals, and finals rounds. The first-place quartet will be declared the international quartet champion. Winners of the second, third, fourth, and fifth places will be designated as international medalist quartets, while quartets in sixth through tenth place will be recognized as international finalists. ARTICLE VI: OFFICIAL RESULTS

A. Official Scoring Summary

1. Contents

An official scoring summary will show the district, and division if appropriate, the contest date and location, the scores for each song in each category for each eligible contestant, the total score for each eligible contestant, the names of the songs, and the names of the official panel members.

2. International Quartet Contests

For international quartet contests an official scoring summary will be published by the contest administrator immediately after the quarterfinals and semifinals, showing all the scores of the eliminated quartets, and after the finals, showing all the scores of the top ten quartets.

3. Contests Other Than International Quartet Contests

For all contests other than international quartet contests an official scoring summary will be published by the contest administrator immediately following the announcement of winners and/or qualifiers. A scoring summary for eliminated quartets may be published by the contest administrator following the conclusion of a semifinals round, according to district policy.

ARTICLE VII: RANKING OF CONTESTANTS

A. Ranking

Contestants will be ranked in accordance with the cumulative total scores of points awarded by the panel of judges.

B. Scores

1. Reporting After Performance

The judges will report their scores to the contest administrator immediately following each contestant's performance.

BHS Contest Rules

2. Statistical Variances

During each contest round the contest administrator will notify each category if any statistical variances exist (where one score is statistically higher or lower than the rest of the panel for a song). The judges in that category will review their notes and all scores provided by the panel for either song in the performance. At that time, the judges in that category can change their scores for either song or leave them stand. The contest administrator will make any changes indicated and thereafter the scores are official. (See Position Paper IX. Statistical Variances in the *Contest and Judging Handbook* for more details).

C. Ties

1. First Place Ties

A tie for first place will be broken by ranking the contestants according to their overall scores in the Singing category or, only if that does not break the tie, according to their overall scores in the Music category. If a tie still exists, the tie will stand.

2. Other Than First Place

Except for first-place ties, tie scores will not be broken, and the official scoring summary will list the tied contestants in rank order in accordance with the tie breaking formula.

3. Medals

When a tie situation occurs, any medal(s) specified in Article V that immediately follow(s) the tie ranking will not be awarded. E.g.: With a tie for 2nd medals are awarded to 1, 2, 2, 4, and 5.

D. Ineligibility/Disqualification

1. Reranking

In the event a contestant is declared ineligible or disqualified for any rule violation after the results are announced or published, their rank order shall be filled by the next ranked contestant and a revised official scoring summary will be published accordingly. All remaining lower-ranked contestants will have their rank order adjusted accordingly.

2. Return and Redistribution of Medals and Awards

If the disqualified or ineligible contestant was given a medal or other award as one of the top-ranked competitors in a contest, all members of the disqualified quartet or chorus must return the awards to the Society or district for award to the appropriate contestant.

ARTICLE VIII: ORDER OF APPEARANCE

A. Contestants' Order of Appearance (OOA)

1. Draw for Singing Order; Excused Absence

The order of appearance will be assigned by random draw. Contestants will sing in the order in which their names are drawn. However, owing to circumstances beyond the control of the contestant the contest administrator or the district representative for contest

BHS Contest Rules

and judging (prior to a contest for other than an international contest) may excuse an appearance other than in assigned order.

a. During contest: The contest administrator will determine whether to give an excused contestant the opportunity to appear after all other contestants in that contest session, or if the round consists of multiple sessions, after all other contestants in that contest round.

b. Prior to a contest other than an international contest: The district representative for contest and judging may equitably determine a modification to the order of appearance for reasons beyond the control of the contestants.

B. Unexcused Absence

Any contestant, not excused, that fails to perform in its assigned order of appearance will be penalized. The contest administrator will assess a penalty of five points per scoring judge. A penalized contestant will have the opportunity to appear after all other contestants in that contest session.

C. OOA In Case of Absences by Multiple Contestants

If there are two or more excused or penalized contestants, their order of appearance will be determined by the contest administrator.

D. Failure To Appear During Round

Any contestant that fails to appear in any round will not be eligible to compete in any subsequent round in that contest.

E. Request To Sing First In International Chorus Contest

1. Written Request Prior To Draw

A chorus participating in the international chorus contest may request in writing to the Society executive director that it be permitted to sing at the beginning of the contest. Such a request must be made and received prior to the draw.

2. Multiple Requests

If more than one chorus requests to sing at the beginning of the contest, an initial drawing will be held among those choruses to determine the order in which those choruses will sing at the beginning of the contest.

ARTICLE IX: SONGS AND ARRANGEMENTS

A. Songs

1. Barbershop Style

All songs performed in contest must be arranged in the barbershop style. [See style definition in Chapter 2 of the *Contest and Judging Handbook*.] A song performed in contest must be in good taste, be neither primarily patriotic nor primarily religious in intent, and have a melody and harmony consistent with the barbershop style.

BHS Contest Rules

a. Jurisdiction, Adjudication and Penalties: Songs not consistent with the barbershop style will be adjudicated in terms of the quality of the performance by the Music judge(s). Actions by any contestant that are not in good taste will be adjudicated in terms of the quality of the performance by the Presentation judge(s). Violation of the provision relating to patriotic or religious intent will result in penalties up to and including forfeiture by the Presentation judges(s) only.

2. Unaccompanied

Songs must be sung without any kind of musical accompaniment and without instrumental introduction, interlude, or conclusion. The latter provision applies to both the entire performance and each individual song. Violation of this provision will result in penalties up to and including forfeiture by the Music judges(s).

3. Chorus Subunits

In chorus contest performances of songs, selected use of a soloist, duet, trio or quartet is acceptable as long as it is brief and appropriate. At no time should the musical texture exceed four parts. The spoken word, brief and appropriate, is not considered an additional “part” in this context. Compliance with this provision will be adjudicated in terms of the quality of the performance by the Music judge(s).

B. Copyright Compliance

Contestants must comply with the copyright law in the acquisition, arranging, learning, and performance of songs for contest. Violations of this article relating to copyright law compliance are subject to post-contest action deemed appropriate by the Society executive director.

ARTICLE X: SOUND EQUIPMENT AND STAGE SETTING

A. Equipment

1. Provision and Operation; Monitor Speakers Permitted

The best possible sound equipment will be provided, if needed, by hosts of convention/contests. Monitor speakers are permitted. Sound equipment should be operated by a competent operator.

2. Testing and Approval

The stage setting will be set up sufficiently in advance of the starting time of the contest so that the sound equipment and lighting may be tested under the supervision of the contest administrator. The contest will not start until the contest administrator has given his approval.

B. Restrictions and Exception

1. Own Equipment

Contestants may not use their own equipment to electronically amplify or alter their voices.

BHS Contest Rules

2. Offstage Use of House System

Contestants may not make offstage use of the house sound system.

3. Recorded Music or Spoken Word; Electronic Enhancement

Nothing in this rule shall be interpreted to permit the use of recorded music (including singing) and/or recordings of the spoken word. Nothing in this rule shall be interpreted to permit the use of technology to enhance the performance electronically.

4. Electronic Pitch and Brief Effects

Contestants may use electronic means independent of the house system to take pitch or to provide limited, brief, and relevant sound effects.

C. Jurisdiction and Penalties

Violations of Article X.B are subject to penalties up to and including forfeiture by the Singing judges(s).

ARTICLE XI: STAGING

A. Restrictions

1. Non-Members

Persons who are not members of the competing chorus or quartet may not appear on stage during the performance. Violation of this rule in contest will result in being declared ineligible and disqualified. (See Article I for membership eligibility/violations.)

2. Bad Taste

Actions by any contestant that are deemed suggestive, vulgar, or otherwise not in good taste will not be allowed. In addition to adjudication by the Presentation judge(s), the performance may be stopped by the Contest Administrator per Article XIV.A.3.

B. Jurisdiction and Adjudication

The Presentation judge(s) will have jurisdiction over issues of staging, other than as provided for international contest staging noted in section C below. (See the Presentation category description in the Contest and Judging Handbook for a discussion of unacceptable staging.) Actions by any contestant that are not in good taste will be adjudicated in terms of the quality of the performance by the Presentation judge(s).

C. International Contest Staging

1. Chorus Loading

a. Time expectation: Choruses are expected to get on stage in a prompt manner as to ensure the contest flows smoothly. Development of additional staging detracts from the flow of the contest. From the time the chorus is given approval to assemble on the stage to the moment the chorus indicates it is ready to perform, it is reasonable that a chorus of less than 50 will be onstage and ready within 6 minutes, 50-100 will be ready within 7 minutes, and more than 100 onstage within 8 minutes.

BHS Contest Rules

b. Penalty: Exceeding this time frame will result in a penalty of five points per song per scoring judge (150 points from the composite score earned by the performance). The stage crew will keep the official time and the panel chairman (or designated representative) will be present for the loading process to ensure fairness and will provide exceptions for issues beyond the chorus' control. Nothing in this rule is intended to discourage an individual or individuals entering or exiting at a time that is different from the bulk of the chorus or an indication of readiness. Warnings will be given at 1 minute and 30 seconds. At no time are competitors allowed behind the risers.

2. Props

a. Restrictions: If props and/or stage enhancements are to be used, they must be simple enough that at most two men can carry and set them up, and they must be freestanding.

- Nothing can be attached to or leaned against the riser (back) safety rails.
- No extensions to the end risers are permitted.
- At no time are competitors allowed behind the risers.
- No props or stage enhancements can be used that may contravene local fire and safety codes (open flame, fireworks, open water other than in a glass or pitcher, etc.)

b. Penalty: Violations of the preceding will result in a penalty of five points per song per scoring judge (150 points from the composite score earned by the performance). The stage crew, with the concurrence of the panel chairman, will make this determination.

c. Financial liability

- 1) Any use of props and/or stage enhancements that damages microphones and/or lights will result in the chorus or quartet being held financially responsible to BHS for the replacement in kind of the damaged equipment.
- 2) Any use of props and/or stage enhancements that results in alteration to the condition of the stage and/or house and requires additional labor to rectify the stage and/or house to its pre-performance condition will result in the chorus or quartet being held financially responsible to BHS for the total cost of the labor incurred.

3. Cleanup

a. Restrictions: Confetti and similar small material that requires extensive cleanup is banned from use in both chorus and quartet contests. Other materials which are difficult to clean-up (requiring mops, brooms, vacuum cleaners, etc.) are strongly discouraged from the stage.

b. Penalty: Any clean-up longer than 60 seconds will result in a penalty of five points per song per scoring judge (150 points from the composite score earned by the performance). This does not include the pick-up of coats, tables, vests, etc., that do not require further cleaning. Time will begin from the start of the clean-up effort and kept by the stage crew, with the concurrence of the panel chairman. At no time are competitors allowed behind the risers during cleanup.

BHS Contest Rules

ARTICLE XII: NON-SINGING COMMENT/DIALOGUE

A. Spoken comments

Non-singing dialogue is generally not a part of a contest performance. However, brief comments made with supporting visual communications may be permitted more clearly to establish mood/theme, to assist the transition of packaged songs, or to add to the effect of closure of mood/theme.

B. Adjudication

Spoken words deemed to be excessive or detrimental to the performance shall be adjudicated in terms of the quality of the performance by the Presentation judge(s).

ARTICLE XIII: PENALTIES AND FORFEITURES

A. Forfeiture

A scoring judge indicates forfeiture by awarding a score of zero. Forfeiture or any penalty is appropriate only when specifically provided for in these rules.

B. Inclusion in Official Scoring Summary

Penalties and forfeitures will be published as part of the official scoring summary, with citation of the rule that was violated, if appropriate.

C. No Public Announcement

There will be no public announcement of any penalty or forfeiture.

ARTICLE XIV: OPERATION OF CONTEST

A. Contest Administrator Responsibility and Authority

1. Authority for Contest Operation

2. Contest Environment

The contest administrator is responsible for ensuring that the contest environment is as fair and consistent as possible for all contestants. Action on environmental issues will consider contestants, audience, and panel, in that order of priority.

3. Stopping Performance and Rescheduling

a. Sole Authority: The contest administrator alone has the authority to stop the performance and judging, and reschedule part or all of the performance later in the contest.

BHS Contest Rules

b. Repeat Performance: At his sole discretion, the contest administrator may allow a contestant to repeat part or all of a performance later in the contest.

c. Cancellation and Rescheduling: If the contest administrator must cancel a round or an entire contest, that round and/or contest will be rescheduled by the contest administrator in conjunction with the appropriate administrative body supervising the contest. In making these decisions, the contest administrator will consult with scoring judges as appropriate.
