Mid-Atlantic District Fall Convention Regulations

1.0 GENERAL

This regulation constitutes an agreement between the Chapter, which has been officially awarded the responsibility to host a Mid-Atlantic District (M-AD) Fall District Convention and Contests, and the M-AD Board of Directors (BOD). The BOD is ultimately responsible for all aspects of the convention and contest.

2.0 CONVENTION DATES

- a. Dates of the Fall District Convention, which includes the International Preliminary Chorus, International Preliminary Seniors Quartet, and M-AD Chorus and Quartet Contests, will be determined by the Vice President Events (VP E) and Vice President Contest and Judging (VP C&J) and should be held no earlier than the last weekend in September and no later than the last weekend in October.
- b. Exceptions must be approved by the BOD.

3.0 CONVENTION BID AND AWARD

- a. A chapter wishing to host a Fall District Convention for a given year must submit its request to the VP E. The VP E will consider each request and determine if each submitting chapter is suitable and qualified for hosting the convention. If no such suitable and qualified chapter has offered to host, the VP E will invite and/or solicit chapters to host the convention.
- b. If a convention host and a site for a given year have not been determined by the Fall District Convention of the previous year, the VP E shall consult with the District Executive Vice President (EVP). If, in the EVP's judgment, it is unlikely that a chapter will apply to host the convention, then the District Events Team (DET) will run that convention, augmented as necessary.
- c. If a convention is awarded more than one (1) year in advance of the event, the BOD will encourage the awarded chapter to 'understudy' the current year's convention.
- d. Once the host chapter has been awarded/selected, the Host Chapter General Chairman shall use the budgetary guidelines established by the DET for all expenses. Exceptions shall be fully documented and approved in writing in advance of the start of the event by the VP E. If exceptions are made without such approval, M-AD may disallow such associated costs.

4.0 CONVENTION ORGANIZATION

- a. The suggested structure for the Host Chapter portion of planning, managing, and conducting a Fall District Convention is provided in Appendix A. Included are job descriptions, action items, and timelines for the successful operation of the event.
- b. The Host Chapter may propose modifications to this organizational structure, subject to approval by the VP E. The Host Chapter shall appoint individuals to lead and staff the necessary committees and shall be responsible for their effective performance of all assigned duties.
- c. The Host Chapter General Chairman must be approved by the VP E at the time of award of Host Chapter responsibilities. Any replacement of this position must be approved by the VP E. The Host Chapter General Chairman shall furnish the names and contact information of all appointed Committee Chairmen to the VP E as soon after the award as is convenient, but no later than six (6) months prior to the convention dates.

Mid-Atlantic District Fall Convention Regulations

- d. The Host Chapter General Chairman shall maintain frequent communication with the VP E, providing him with regular updates as to progress his team is making as well as any issues, concerns, or challenges his team may be experiencing.
